M/S/C to pay Stephen's Registration as the official Delegate to the Convention.

No further business appearing before the Membership.

M/S/C to adjourn

Meeting adjourned at 2000

It's that time of year you should check and replace any batteries in your Smoke and Carbon Monoxide alarms around your homes and garages. Dead or dying batteries are one of the leading causes of fire related deaths. By having fresh and good batteries in your alarms you stand a better chance of escaping from your home in case of fire.

If you have any articles or photographs for publication in The Alerter please submit it to Dan Lingafelter at dling@eskimo.com or call him at 425-710-9223 to arrange to have it picked up. Please have all submissions in by the 1st of the month.
