Gary Thomaier memorial

LFRD members and friends:

Many of you already know of the passing of my brother Gary, on July 30th, two weeks shy of his 84th birthday.

We are in the process of putting together what we hope will be a nice memorial tribute to all the things he was involved in during his lifetime, with emphasis on his fire service career. I'm actually receiving condolences from firefighters from across the state, who took Incident Management classes from him.

It's hard to imagine all he was involved in, from his days as a volunteer in Snohomish County Fire District 1, to the establishment of Bellevue Fire Department's medic program, his creation of the "Make & Break" competition, that is still used to this day, Charter membership in the Seattle Fire Buff Society, aerial tiller training for the Woodinville Fire Department, and his Incident Management business, and of course all he did for the LFRD. But, we're trying to collect some representation of some of these accomplishments for people to enjoy.

Here's the information on his memorial service:

Date: Saturday, September 21st, 2019
 Time: 2:00pm
 Location: Maltby Congregational Church
 Address: 21111-86th St SE
 Maltby WA

We are reaching out to various agencies for their help in getting the word out, but if any of you have contacts, either fire department or friends, we would be grateful for you being able to contact them, or give us the contact information. Hope to see you on the 21st.

Dual Tandem Axial Ladder Trucks.

Several operating in, and in the vicinity of Seattle.
